

HOLD SERVICE FOR SUBMARINE'S CREW

Banquet Follows Com-
munion Service Abroad
Interned Steamer Nekar

IS PARTLY SUBMERGED

Series of Events at Deutsch-
land's Pier Indicates Depart-
ture is Not Far Off

STRANGE WARSHIP APPEARS

BULLETIN

BALTIMORE, Md., July 25.—At 1 a. m., the submarine Deutschland still was at her pier. Collector of Customs Ryan said there had been no application for her clearance papers up to midnight.

BALTIMORE, July 24.—A com-
munion service was held tonight
aboard the interned North German
Lloyd Steamer Nekar, lying along-
side the submarine Deutschland, for
the captain and crew of the submer-
sible. Rev. Otto Apitz, German im-
migrant missionary, conducted the
service. In his prayer he asked that
the vessel and her crew might have
a safe voyage home.

The service was followed by a ban-
quet. The Nekar was brilliantly
lighted.

It was learned that the Deutsch-
land was partially submerged at her
slip at 6:30 this evening. The water
is not deep enough for full submer-
gence.

A series of events this afternoon at
the pier where the merchant subma-
rine Deutschland is berthed, indi-
cated that her departure would not
be long delayed. The most signifi-
cant of these were the filling of her
water tanks and the stowing below
her deck of the crew's bedding, as
it was removed from the interned
North German Lloyd Steamer Nekar
nearby, where the Deutschland's crew
has been sleeping.

Shortly after the water tanks had
been filled heavy blue smoke was
noticed coming from behind the
barges that screened the Deutschland
from view and directly at her stern.
The wind blowing from the direction
of the submarine carried the odor
of fuel oil, and it was evident that
the vessel's engines were being
tested.

These activities were preceded by
the sealing of the submarine's wire-
less apparatus by a government radio
inspector. This was in accordance
with a federal law calling for such
action at the expiration of two
weeks.

No application for clearance pa-
pers had been made up to the close
of business at the custom house to-
day, it was announced. Arrange-
ment may be made however, for this
to be done out of hours.

Strange Allied Warship Appears
Norfolk, Va., July 24.—Appear-
ances of a strange allied warship off
Cape Henry today led to rumors here
that a British and French fleet of
considerable size was in the vicinity
of the southern drill grounds await-
ing the departure of the German
submarine merchantman Deutschland
or the arrival of her sister ship the
Bremen.

The new warship is believed to
be one of the new British battle
cruisers. It is the fourth from allied
navies that has been outside the
capes within ten days. Three of
them are supposed to have been British
and one French.

Failure of the Bremen to appear
caused considerable disappointment
in German circles here today. The
feeling prevailed that the departure
of the Deutschland from Baltimore
might be delayed indefinitely pending
receipt of news regarding the
Bremen. If she has fallen into a
trap, it is pointed out, it would be
unwise for the Deutschland to make
out to sea unadvised.

PAPER CONFIRMS REPORT

El Paso, Tex., July 24.—A news-
paper printed in Saltillo last week
and reaching there today contained
a despatch purporting to come from
Mexico City substantiating reports
received here by General George
Bell, Jr., that General Trevino had
been removed from the command of
the Mexican army of the northeast
and ordered to the capital. How-
ever, it conflicted with General
Bell's information that General Luis
Herrera, commander in Parral had
been appointed his successor and
stated that the assignment had been
given General Luis Caballero, com-
mandant of the Tampico garrison.

CONSIDER COMPROMISE

Ottawa, Ill., July 24.—Striking ce-
ment mill workers and their employ-
ers began a meeting here today to
consider a compromise proposition
submitted by Governor Dunne, to
end the strike. The compromise con-
cerns the number of hours which
shall constitute a week.

SENATE CALLS HALT ON ARMY REDUCTIONS

VOICES DOWN RETRENCHMENT PRO-
POSALS AND APPROVES INCREASES

Debate on Ordnance Sections De-
velops a Predominating Sentiment
That It Would Be Unwise to Limit
Expenditures for Ammunition and
Guns too Closely.

Washington, July 24.—The senate
today called a halt on wholesale re-
ductions begun Saturday in the ar-
my appropriation bill voting down
retrenchment proposals and approv-
ing increases totalling more than
\$30,000,000 when sections were
reached carrying provision for or-
dnance and equipment for the regular
army and national guard.

Debate on the ordnance sections
developed a predominating sentiment
that it would be unwise to limit ex-
penditures for ammunition and guns
too closely, despite the lessening ten-
sion in the Mexican situation. De-
creases of \$30,000,000 ordered Sat-
urday related to transportation, sub-
sistence, foreign service pay and
emergency estimates put into the
bill by the house when the Mexican
situation was critical. Today's in-
creases included:

For medical supplies, increases
from \$2,000,000 to \$4,500,000; en-
gineers equipment, \$1,000,000 to \$1-
700,000; ordnance stores, \$3,000,000
to \$11,000,000; automatic ma-
chine guns for regular army \$3,600,000
to \$7,725,000; automatic machine
guns for national guard \$2,000,000
to \$6,586,150; armored motor cars
\$300,000 to \$1,000,000; field artil-
lery for National Guard \$8,000,000
to \$14,200,000; ammunition for Na-
tional Guard field artillery \$8,000,000
to \$14,000,000. In the item for
small arms ammunition the senate
approved a reduction from \$5,000,000
to \$2,500,000 but several sen-
ators said they would insist on an-
other vote on the section before final
passage of the bill. The measure
weeks past Sunday in Chi-
may be passed tomorrow, altho, sev-
eral important items remain for
consideration including the \$13,281-
666 proposed for aviation, an in-
crease of \$10,000,000 over the house
appropriation. During debate today
Chairman Chamberlain of the mili-
tary committee aroused by anti-
preparedness arguments by Senator Nor-
ris vehemently arranged Senators,
who, he declared, constantly intimat-
ed that advocates of preparations
were in a conspiracy with munition
makers and others who profit by
war. He defended the patriotism and
honesty of the champions of prepared-
ness in congress. Senator Town-
send assailed the administration Mex-
ican policy, asserting that the na-
tional guard had been called to the
border under false pretenses and
that diplomatic correspondence had
disclosed that there never was any
intention of sending state troops into
Mexico.

BATTLESHIP TEXAS LEADS NAVY IN GUNNERY MERIT FOR THE YEAR

WASHINGTON, July 24.—The Bat-
tleship Texas led the navy in gunnery
merit for the year 1915-16. Figures
made public today by the navy de-
partment give the Texas a mark of
93. The Battleship Arkansas was
a mark of 83.927 came last among
the sixteen ships enumerated. The
figures represent the general result
of all gunnery work for the year on
each ship, indicating torpedo prac-
tice. The ships and their rating
follow:

Texas	93.7
Virginia	78.84
Michigan	78.825
Nebraska	76.109
New York	72.594
New Jersey	62.374
Rhode Island	62.15
Florida	61.578
Wyoming	57.075
San Diego	54.453
South Carolina	51.718
Louisiana	49.406
Delaware	46.402
Kansas	40.402
Utah	37.659
Arkansas	33.927

SENATE CONFIRMS NOMINATION OF CLARKE TO SUPREME BENCH

WASHINGTON, July 24.—The senate
tonight unanimously confirmed the
nomination of John H. Clarke
of Cleveland, as associate justice of
the supreme court to succeed former
Justice Hughes.

Justice Clark will take his place
on the bench when the court con-
venes next fall.

President Wilson sent the nomina-
tion to the senate July 14th. A sub-
committee recommended confirma-
tion and the judiciary committee
took similar action today.

ILLINOIS FIREMEN MEET

Kankakee, Ill., July 24.—Nearly
1,000 representatives of various fire
departments throughout the state are
expected to attend the annual tourna-
ment of the Illinois State Firemen's
association here Tuesday,
Wednesday and Thursday of this
week. Twenty teams of horse and
motor trucks will participate in the
competitive tests. Five bands from
various parts of Illinois will give
daily concerts.

War News Summarized

At Pozieres the Australians are
still fighting furiously with the
Germans for possession of the vil-
lage and the head of the road lead-
ing from it to Bapaume, and the
greater part of the village now is
reported to be in the Australians' hands. There has been a diminu-
tion in the vicious fighting which
began Saturday night along the
British front from Thiepval to
Guilleumont.

A condition of comparative calm
prevails south of the Somme along
the French line where the only
fighting reported—and that a minor
engagement—resulted in the
French capturing a German battery
south of Estrees. Eastward, in the
Verdun region the French have oc-
cupied a German redoubt west of
Thiaumont, taking with it five ma-
chine guns and two score prisoners.
Berlin still asserts that the only
result of the British attack Sunday
along the Thiepval-Guilleumont line
was the penetration of a few houses
in the village of Pozieres, and the
Australians obtained these only af-
ter having suffered sanguinary loss-
es.

That German troops have been
removed from the Verdun front for
the Somme operations is apparent
from the German statement that
Brandenburg grenadiers of Douaumont
"fame" defeated the British in the
fight Sunday at Longueval.

Also unofficial reports have
credited to the Russians big gains
against the Germans in the Riga re-
gion of Russia, neither Petrograd
nor Berlin communications have as
yet recorded any changes on this
line.

Emperor William is reported to
have left the French front to over-
see the operations in the east.

The Russians have made further
progress against the Turks in the
Erzingan region of Turkish Armenia
while to the south along the Per-
sian front the Turks report they
have gained fresh successes over the
Russians.

The Italians in the Astico and
Aviso regions of the Austro-Italian
theater report continued advances
against the Austrians.

Premier Asquith has asked the
British parliament for an additional
credit vote of £450,000,000, the
largest requested since the begin-
ning of the war.

FIVE HUNDRED PRUDENTIAL AGENTS AND COLLECTORS STRIKE

NEW YORK, July 24.—Five hun-
dred agents and collectors employed
by the Prudential Insurance company
in this district responded to a strike
call today by a union recently or-
ganized among the company's em-
ployees and known as the Interna-
tional Insurance Agents Protective
association with a membership of
6,000.

The men demand better pay, re-
cognition of the union and "more
reasonable" working hours. Leaders
here declared that unless the de-
mands of the men are met all the
6,000 will follow the lead of those
already out. About 13,000 agents
and collectors are employed by the
company throughout the country.

The company anticipating the
strike, has announced that arrange-
ments are being made to protect pol-
icy holders and have the strikers re-
placed by experienced men.

JUNE RECORDS FOR POSTAL SAVINGS DEPOSITS ECLIPSED

Gains General Throughout the Country
—Postmasters Attribute Increase
to Prosperity of Wage Earners.

New York, July 24.—June records
for postal savings deposits were
eclipsed last month when a net gain
of more than \$3,800,000 was rolled
up quadrupling the net increase for
June, 1915, according to figures
made public today at the New York
postoffice. The gains were general
throughout the country. Postmasters
attribute their increase, it was stat-
ed, to the countrywide prosperity of
wage earners and to the legislation
of May 18, last which increased the
limit on deposits from \$100 to
\$1,000 a month.

Among the cities showing the
largest gains for June are:

New York, \$528,912.
Detroit, \$167,252.
Chicago, \$125,042.
Boston, \$91,069.
Milwaukee, \$48,497.
Philadelphia, \$47,088.
Portland, Ore., \$46,448.
St. Louis, \$39,139.
Kansas City, \$32,012.
Los Angeles, \$28,406.
San Francisco, \$27,724.

On June 30th there were 7,281
postoffices accepting deposits in the
United States, Alaska, Porto Rico
and Hawaii and the number of de-
positors approximately 60,000 with
\$86,000,000 standing to their cred-
it.

COL. PHELPS IMPROVES

Rochester, Minn., July 24.—Col.
W. H. Phelps of Carthage, Mo., who
was operated on at a local hospital
last Saturday was very much improv-
ed today. It is expected he will
be able to leave the hospital within
a few days.

16 BELIEVED DEAD IN GAS EXPLOSION

Men Are Imprisoned in
Cleveland's New Water-
works Tunnel

CREWS RUSH TO TUNNEL

Life Savers Penetrate Tunnel
for Fifty Feet But Are Driven
Back By Deadly Gas Fumes

BLAST DAMAGES AIR LOCK

CLEVELAND, O., July 24.—Im-
prisoned in the new water works tun-
nel under Lake Erie as a result of a
terrific explosion of gas in the tube,
sixteen men are believed to be dead.
The blast occurred shortly before
midnight and life savers and the
crews of the fire tugs rushed to the
outer crib, five miles from shore,
with lungmotors, prepared to enter
the tunnel and rescue the victims if
alive.

That any survived the gas ex-
plosion is considered hopeless. Ar-
rangements have been made to re-
ceive the bodies of the tunnel work-
ers.

The explosion occurred a hundred
feet towards shore from the outer
crib. Life savers penetrated the
tunnel a distance of fifty feet but
were driven back by the deadly gas
fumes.

Ten men were at work in the
tunnel when the blast occurred. The
noise of the explosion was heard by
six workmen at the outer crib and
they plunged down the elevator and
into the shaft to investigate. A short
time later two of them, Peter Mc-
Kenna and John Johnson, almost
dead, crawled to the bottom of the
crib shaft, assisted by a third, Wil-
liam J. Dolan, lock tender, and were
sent up to the crib. McKenna lost
consciousness, but Johnson was able
to get to a phone and give the alarm
in the city before he collapsed.

Dolan was still in the shaft mak-
ing an ineffectual effort to rescue
his fellow workers when the life sav-
ers and the fire tugs arrived at the
crib. They found that the gas in the
shaft was too heavy for them to
reach the tunnel victims without
sufficient lungmotors and a call for
this apparatus was sent in.

Dolan said that the explosion was
so great that it damaged the lock
and he was stunned. When he re-
gained his senses he seized an axe
and broke thru the air lock just as
Johnson and McKenna and the four
other rescuers arrived. Dolan says
that the six went into the shaft in
search of them, but that all were
overcome by the gas.

He managed to drag Johnson and
McKenna out thru the lock and to
the elevator shaft but the fumes were
so thick he could not reach others of
the party. He gave it as his opinion
that the ten in the shaft and the
four rescuers were dead.

Today's accident is the first of any
consequence since the new tunnel
was started in 1914. The tunnel is
to cost \$1,500,000 and will connect
with a filtration plant designed to
give Cleveland pure water. Seventy
lives were lost in the building of
Cleveland's other water tunnel thru
which the present supply passes.

HIKE BETRAYS UNFIT PHYSICAL CONDITION OF MANY OF I. N. G.

Estimate that More than 700 Drop
From Ranks of Three Regiments
in Covering Ten Miles.

San Antonio, Texas, July 24.—
Ten miles of hiking betrayed the
unfit physical condition of a large
number of the Illinois Guardsmen
stationed at Fort Sam Houston to-
day.

The first brigade started to Leon
Springs, a distance of 18 miles, for
rifle practice, on the government re-
servation. Ten miles was the dis-
tance covered today, the men march-
ing without packs. Before arriving
at camp it was necessary to send
motor trucks from the army post to
assist the brigade ambulance in car-
rying the tired out stragglers.

It is estimated that 400 men
dropped from the ranks of the First
Infantry, 250 from the Second In-
fantry and more than 100 from the
Seventh Infantry.

A number of the men were report-
ed to be in serious condition.

Scores of stragglers have not re-
ported at camp and the emergency
round up organized by Mrs. L. G.
Clegg, a San Antonio woman, is
working late tonight retrieving the
men who dropped out. Reports say
that guardsmen all along the line
of march were prostrated by the
heat and in many cases fell as tho
struck by a bullet.

Officers of the First Regiment are
accused of trying to make a record
and that charge comes not only
from the Second and Seventh but
from the regular army men who
supervised the hike.

TELEGRAPHIC BRIEFS

WAUKON, Ia.—Dr. Gabe Newlab,
prominent throat northeastern
Iowa, is dead as the result of an au-
tomobile accident near here.

TRENTON, N. J.—The Sulzberger
and Sons Company of America, meat
packers, has changed its name to
Wilson and Company. It is a New
Jersey corporation and will have a
registered office in Jersey City.

PONTIAC, Ill.—The three year
old daughter of Andrew Clark was
crushed to death when she was run
over by an oats binder. She had
wandered into the field and the
oats were so high that the man driv-
ing the machine did not see her.

CHICAGO—Miss Ursula Byrne,
15, of Chicago, received injuries
from which she died and her mother,
Mrs. A. E. Byrne and three sisters
were injured when the automobile
in which they were riding was over-
turned near Ontarioville, Ill.

DUBUQUE, Ia.—Lightning struck
a large barn on the premises of the
Trappist Monastery near Dubuque,
destroying the building and con-
tents. The loss will reach \$20,000.

LONDON—James Gordon Bennett
and wife and Lieutenant Colonel
F. Bentley Mort, formerly military
attache at the American embassy in
Paris arrived here from Bordeaux
on the French line steamship La-
fayette.

COPENHAGEN, Via London.—
Twenty persons were drowned when
two ferryboats collided with each
other on the Spree near Berlin, ac-
cording to the Politiken. One of
the boats was sunk.

SAN JOSE, Cal.—Mrs. John Sad-
linger, youngest daughter of John
Brown, of Harper's Ferry, died at
Campbell, near here. Her sister,
Sarah Brown, died at the same place
three weeks ago. Mrs. Sadlinger was
65 years old.

WASHINGTON—The senate passed
Phelan bill ceding to the Pana-
ma-Pacific International Exposition
company, subject to revocation, a
portion of the San Francisco Presi-
dio for maintenance as a permanent
palace of fine arts. The measure
now goes to the house.

THOUSANDS OF ADMIRERS VIEW REMAINS OF THE HOOSIER POET

Riley's Body Lies in State at Indiana
Capitol—Brief Funeral Services
Will Be Held Today.

Indianapolis, July 24.—Thousands
of men, women and children admir-
ers of the works of James Whitcomb
Riley, the Hoosier poet, passed be-
fore the casket in which his body lay
in state in the capitol late this after-
noon and early tonight. The crowds
had assembled long before the doors
of the state house opened at 3
o'clock and altho about 75 persons
a minute were admitted to the build-
ing at first and more later, the wait-
ing throng became greater as even-
ing approached. Many of the per-
sons who passed before the body
were from the class about which the
poet had written.

The casket was covered with three
oral designs only. They were the
state and city emblems and one from
a friend.

The body will not be placed in a
cheerless and bleak vault. The ex-
ecutive committee of the committee
which arranged the Riley Day cele-
bration Oct. 7th, 1915, has decided
to decorate the vault with flowers
and rugs. Practically all local flor-
ists were sold out of flowers today
filling local and telegraph orders for
floral tributes to the poet.

Policemen on duty at the state
house estimated tonight that at
least 50,000 persons passed thru the
corridors and took a farewell look
at the beloved poet, who "sang of
common things," before the body
was returned to the home in Lock-
port street.

Brief funeral services will be held
at the home at 2:30 o'clock tomor-
row afternoon and the body will be
placed in a receiving vault at Crown
Hill Cemetery here, according to ten-
tative plans made late tonight. Dr.
Joseph A. Milburn of Sewanee, Tenn.,
formerly pastor of the Second Pres-
byterian church in this city and an
intimate friend of Mr. Riley will con-
duct the services assisted by the Rev.
Frederick E. Taylor of the First
Baptist church of this city. Among
the honorary and active pall bearers
will be Vice-president Thomas R.
Marshall, John W. Kern and Thomas
Taggart, United States Senators for
Indiana; former vice-president
Charles W. Fairbanks, Governor
Samuel M. Ralston, Henry Watter-
son of Louisville; Harry S. New, Mer-
edith Nicholson and George Ade.

A large delegation from Green-
field, Ind., Riley's boyhood home,
called at the Riley home tonight in
an endeavor to induce the family to
have the body buried there. No de-
cision was received, it was said.

CONFIRM ALLEN'S NOMINATION.

Washington, July 24.—After be-
ing held up since January on objec-
tion by Senator Hitchcock, the nom-
ination of Thomas S. Allen, as Unit-
ed States attorney for Nebraska was
confirmed tonight by the senate.
Allen is a brother in law of William
Jennings Bryan.

SQUAD OF GUARD SHOOT FOUR NEGRO SOLDIERS

RESCUE WHITE MEN SOLDIERS
ATTACKED NEAR CAMP

Negroes of Eighth Illinois Infantry
Had Been Drinking—None In-
jured Seriously, all the Bullets Strik-
ing in the Legs.

San Antonio, Texas, July 24.—
Four negro soldiers, members of the
eighth Illinois National Guard, were
shot tonight by a squad of the guard
that had come to the rescue of a
white man the soldiers were attack-
ing near the military camp. None
was seriously injured all the bullets
striking in the legs.

The trouble began when Herbert
G. Henne, a lawyer of New Braun-
fels, Texas, drove his automobile to
the militia camp. He passed a group
of negro soldiers in the streets that
extends from the army post to the
camp. An instant later one of them
threw a rock which struck the rear
of his car. Henne directed his driv-
er to stop and he alighted. Turning
toward the advancing group of
guardsmen, Henne with invective
and he instantly changed his direc-
tion towards the nearest open door
that of a saloon. As he ran, Henne
claimed he heard one of the men
call out "come on, he's unarmed,
let's get him."

Inside the saloon he shouted to
the bartender and his helper, the
only other occupants of the place for
assistance but they remained behind
the bar, leaving Henne alone to face
the negroes, by that time crowding
thru the doorway. According to his
story, he kicked the first man out
of his way and cleared a wider path
by knocking down another. He ex-
pressed the opinion after the inci-
dent was concluded that his assail-
ants had been drinking. This was
substantiated by subsequent official
investigation.

Henne said he seized a big knife
that was used in cutting tobacco and
with that weapon again faced the
negroes, one of whom he said, was
flourishing a knife. The little group
of his assailants had been increased
by ten or fifteen when a detachment
of the provost guard of the nine-
teenth infantry rushed up the street.
Ordering the men to quarters and
using their guns as clubs, the guard
forced the negroes out into the
street where, reinforced until per-
haps the number was 25 or 30 the
latter turned on the regulars. Fail-
ure to obey an order to move was
followed by the order to fire. All
the bullets struck below the waist
line.

One of the men whose name was
unobtainable, was taken to camp.
The names of the three taken to the
hospital are:

Sergeant Walter M. Blue, shot in
the pelvis.

Private Edward Lightborne, flesh
wound in the right thigh.

Private Sidney R. Williams, a com-
pound fracture of the left leg below
the knee.

Sergeant Blue asserted at the hos-
pital that he was not participating
in the attack on the white man, but
was engaged in trying to get his men
to return to camp when the provost
guard fired.

Colonel Dennison of the Eighth
expressed keen regret that the inci-
dent had occurred, but declined to
discuss it prior to an investigation
which it is understood would be
made.

CHARGE YOUTH WITH HAVING CAUSED DEATH OF HIS SWEETHEART

OLNEY, Ill., July 24.—Roy Hin-
terliter, son of a well-to-do farmer
is in jail here charged with having
caused the death of his sweetheart,
Miss Elizabeth Ratcliffe, 17 years
old. An inquest is to be held tomor-
row.

Hinterliter, after being out buggy
riding with the girl Friday evening,
drove to a sanitarium here, holding
the dead girl in his arms. He de-
clared the girl had complained of
being ill and then had suddenly
fallen unconscious into his arms.

Saturday morning six physicians
held an autopsy. They found that
the girl had been in a delicate con-
dition.

SEND MACHINE GUNS TO BORDER

Springfield, Ill., July 24.—Four
machine guns intended for the ma-
chine gun company of the Fifth Illi-
nois Infantry of Quincy reached
Springfield, today from the United
States arsenal at Springfield, Mass.,
and Rock Island, Ill., and will be for-
warded tomorrow to San Antonio,
Texas, for use on the border.

The war department ordered the
forwarding of the guns because of
their urgent need on the border and
because the Quincy company did not,
it was said, measure up to the re-
quirements of the federal govern-
ment.

FOUR FILE PETITIONS

Springfield, Ill., July 24.—Secre-
tary of State Lewis G. Stevenson
today received petitions from the
following candidates for state office
at the September primary: John
J. Stowe, Girard, for state treas-
urer; Albert W. Cohn, Chicago, for
lieutenant governor; John A. Log-
an, Benton, for congressman at
large; Walter B. Saylor, Kibbourn,
for representative in congress from
the twentieth district. All are Re-
publicans.

Time for a Cleanup.

No one has come forward yet with a suggestion as to the best method of ridding this city of undesirable colored people who come here from other cities and towns. This is not a question for newspapers and private citizens to settle. It is up to officials elected for the purpose of looking after the peace and order of the community. The matter should not be allowed to drift along until another crime is committed. A clean up campaign should be inaugurated by the authorities and pushed forward vigorously. This statement does not say how, but does say NOW.

Prosperity but—

When the national convention of the United States League of Building and Loan associations meets in St. Louis tomorrow eight hundred millions of dollars will be represented. The reports presented will show the past year to have been one of general prosperity for the association throughout the country owing to the fact that the conditions among wage earners have been exceptional.

The U. S. department of labor, which is doing its share toward the publicity work of the Wilson campaign, has tabulated a lot of newspaper reports of increase in wages, but the whole lot of statistics lose their value as a campaign document, when it is noted that the increases were recorded after the European war had created an unprecedented demand for certain lines of manufactures. So also it can be shown that the prosperity of the building and loan associations has been great the past year from the very same cause.

Pertinent Suggestions

It is said that some months ago the Federal Trade Commission sent out circular letters and employed special agents for the purpose of gathering data regarding industrial conditions and asking for suggestions regarding improvements that could be made. Many of the manufacturers complained of competition with cheap labor abroad, during normal times, and suggested the desirability of restoring some of the protective duties. It is quite likely that the report when made public will not contain all the suggestions made by American business men.

Strike Crisis Nearer

Only a comparatively few days remain before the controversy between the railroads of the country and certain of their employees reach a crisis. The lines are being tightly drawn and unless something is done to prevent it, a country-wide strike is a possibility. Yet with such a situation imminent, the people as a whole do not seem to realize that a crisis really exists.

Today officials for the four great railway brotherhoods, representing the locomotive engineers, firemen, conductors and trainmen, will meet in New York. They will begin an official count of the vote polled by the memberships of the four brotherhoods on the proposal to resort to extreme measures in enforcement of their demands. The result will be known probably by August 10. When this result is known the brotherhoods will then take up the wage and working hour question with their employers and a settlement or a disagreement is expected not later than September 1.

Meanwhile the publicity campaigns of both railroads and employees continue. The railroads argue that the wage question should be submitted to the interstate commerce commission and the employees declare that that suggestion is a mere subterfuge.

Prairie Street Paving Once More

Once more the Prairie street property owners have been heard from and that with no uncertain sound. More than sixty per cent of the frontage was represented in the petition presented to the board of local improvement Monday morning. The members of the board took the action previously indicated when they determined to at once begin proceedings for an asphalt pavement. They wish to carry out the desires of a majority of the property owners and the petition, therefore, was really gratifying to them.

As it takes about sixty days to originate proceedings and get them thru court, it is not likely that the paving will be done this year. But to have all the court work done, the contract let and possibly the curbing in will put the proposed improvement in fine shape for completion the early summer of 1917. The additional time will also afford the opportunity for making any underground pipe connections that are necessary.

It's too early to be very sanguine, but at the present time the much talked of Prairie street pavement is in the most favorable condition that has obtained for several years past. Let us hope that condition will continue.

LINEN DRESSES, IN WHITE AND COLORS, NEW STYLES, HAVE BEEN REDUCED TO \$2.95. F. J. WADDELL & CO.

K. C. TEAM VICTORIOUS.
The Jacksonville Knights of Columbus came out victorious in a hard fought game of baseball Sunday with the team at Arezville. The score was 8 to 5 in favor of the local council. Sloan was in the box for the Knights and Stocker pitched for the Arezville team.

Howard Bradish of Chattanooga, Tenn., is here to visit his mother, Mrs. Ella Bradish, and his brother, W. C. Bradish, who is still at Passavant hospital, recovering from the injuries sustained in an automobile accident recently.

J. S. FINLEY NAMED LOCAL Y.M.C.A. SECRETARY

Will Succeed A. L. Snyder Whose Resignation Was Announced by Directors Monday.

J. S. Finley has been appointed secretary of this Y. M. C. A. to succeed Alva L. Snyder, resigned. Announcement of this change was made Monday. Mr. Snyder, who has been secretary of the association for the past year and a half, leaves with the good wishes of the directors. His successor is to come from Manhatto, Minn., Aug. 15, and has been in association work for eight years past. He is thirty three years of age, is married and has two children. He has made an excellent record in the two positions he has held, and will come to Jacksonville with the best recommendations.

Mr. Snyder, who has just returned from a stay in the south, has not announced his plans but is understood to have several offers under consideration. His letter of resignation was as follows:

"To the Board of Directors of the Jacksonville Young Men's Christian Association.

"Gentlemen: I hereby resign from my position as general secretary of the Young Men's Christian association of Jacksonville, my resignation to take effect July 28.

"The original reason for my action was to accept a better position with the underlying purpose to take better care of my family.

"I wish to express in this way to you as my board of directors and as individual friends and co-workers my deep appreciation of the confidence you have shown me; the time, work and money you have so freely given toward the working out of the policy we have had for the Y. M. C. A.; and the many courtesies and tokens of personal friendship you have shown. It is with heartfelt regret that I take the step that severs the pleasant relations we have had.

"The best wish I could have for my successor would be that you give him in the same measure the splendid help, counsel and friendship you have extended to me.

(Signed)
"Most sincerely,
"Alva L. Snyder."

MORTUARY

Martin.

C. H. Martin of 447 South East street, received a message yesterday announcing the death of his mother, Mrs. J. H. Martin of Los Angeles, California. The death occurred Sunday morning. Mrs. Martin has visited in this city frequently and had a number of friends here. The funeral services will be held in Los Angeles.

Piggott.

At 6 o'clock Sunday afternoon Mrs. Jane Piggott of Warsaw died at the home of her daughter, Mrs. C. C. Cochran, 309 West College avenue. Mrs. Piggott was in Jacksonville for a visit with her daughter and her illness was of only a few days' duration. The deceased was born August 1, 1830, in Iowa, and so in but a few days more would have reached the age of eighty six years. In 1853 she was married to J. L. Piggott at Hamilton. The children are Robert A. Piggott, Butler, Mo.; Mrs. C. C. Cochran of this city and Joseph E. Piggott of Warsaw, Ill. L. J. Piggott a third son, died a number of years ago.

The deceased had for a very long period been a member of the Presbyterian church and she was faithful and devout in all her church relationship. Her vitality of mind and body was retained to a marked degree and her life was one of great usefulness. The remains were taken to the undertaking rooms of W. W. Gillham and Monday afternoon were sent over the Wabash to Hamilton, Ill. The funeral is to be held there Wednesday morning at 10 o'clock, with interment in Oak Wood cemetery.

Big Sale on fancy Alberta peaches for canning purposes. Now distributing a carload. At all Merchants. W. S. Cannon, Produce Co., Distributor.

WITH THE SICK.

Mrs. Michael White of South East street was taken to Our Savior's hospital Sunday evening. Her condition is serious but reports yesterday evening says that she was resting as well as could be hoped for.

It has been reported that Thomas Lyon who was injured in an encounter on a train coming from Virden to Waverly Saturday night is improving. He was able to sit up a part of the time Monday and he is expected soon to recover.

Mrs. Harriet Chrisman is quite ill at her home near Merritt. Mrs. Harriet Melton, her daughter, and Miss Georgie Melton were visitors at her home Sunday.

"A QUESTION"

Why is it that the automobile dealers will pay first cost many times for a Ford, when they WON'T TAKE old cars of THEIR OWN MAKE at any price? There is something wrong somewhere. Moral: The wise man buys a Ford and puts the balance in the bank. Then he tells his neighbor that he would rather have a big bank account any time than a big car.

C. N. PRIEST.

The Ford Man, sells them.

It is a Picture Every Father and Mother Should See—It strips and exposes vice—it teaches an essential and timely

GREAT MORAL LESSON

No words ever thundered by the Evangelist W. A. Sunday, were more pointed and truthful, nor sounded a more earnest warning.

Arthur Borge Farwell, head of the Chicago Law and Order league, makes the following statement in his letter:

Two of the worst evils which destroy character and life are vice and intoxicating liquor. When designing men desire to ruin a girl, usually liquor is their strongest ally. Every boy and girl should understand the dangers and be prepared to meet them. Study this picture, 'The Little Girl Next Door.' It represents the truth.

"It shows methods employed to trap young girls into a vicious life and emphasizes the necessity of young people being told of the dangers ahead. It is a great moral sermon."

SOCIAL EVENTS

At Birthday Party Near Tallula.

Mr. and Mrs. F. G. Sims, Mrs. M. J. Pearson and Miss Lorine McDaniel went Sunday to the home of Mr. and Mrs. Joseph Conkey, six miles north of Tallula, and attended a birthday dinner in honor of Mrs. Conkey, a sister of Mrs. Sims, and of their nephew, Horace L. Campbell.

The guests were Mr. and Mrs. Charles C. Beck, Decatur; Dr. and Mrs. E. Lambert, Clarence Lambert, Dr. Lester Lambert, Mr. and Mrs. L. Irwin, John Irwin, Springfield; Mr. and Mrs. J. H. Gum and grandson, Cassius Youell, Petersburg; Mrs. Smedley, Mr. and Mrs. C. A. Campbell and son, Horace L. Campbell; Miss Gretchen Ellis and J. O. Beck, Tallula; Mr. and Mrs. F. G. Sims, Mrs. M. J. Pearson, Miss Lorine McDaniel, Jacksonville; Mr. and Mrs. Joseph Conkey and their sons, Roy, Claire and Merle.

Mrs. Jesse Henry Gives Dinner at Woodson Home.

Mrs. Jesse Henry of Woodson entertained a number of friends at her home Sunday at dinner. Those present were, Mrs. Alice Paige and son of Roodhouse, Mr. and Mrs. Howard Henry and children, and Mrs. Fay Kliner of Lorraine, Mo.

Mr. and Mrs. Ernest McCauley and son, Miss Margaret Strandberg and Merle Reynolds of Jacksonville, Mr. and Mrs. Jerome Culp and son, William Henry, and Mr. and Mrs. Whitlock of Woodson. The day was spent in an enjoyable manner and was one of pleasure to all present.

Pleasant Surprise for Dial Family at Murrayville.

Mr. and Mrs. J. A. Dial of Murrayville were pleasantly surprised Sunday by the members of the Murrayville Domestic Science club and their husbands. The affair was a farewell party as the Dial family expect to move to Jacksonville about August 1. The guests came in the morning and the entire day was spent at the home of Mr. and Mrs. Dial. A three course dinner was served, including fried chicken, potato salad, cabbage salad, sliced tomatoes, ice cream and cake and ice tea. The dinner was eaten under the spacious trees on the lawn and the day was one of pleasure in every way. Mr. and Mrs. Dial have formed many warm friendships during their residence in Murrayville and many there regret that they are so soon to become Jacksonville residents.

100 Enjoy Outing at Clements Reservoir.

About one hundred people from Jacksonville, Murrayville, Woodson and Franklin enjoyed an all day outing Sunday at the home of John Flynn near Clements and at the C. & A. reservoir. The affair was an annual one as practically the same persons pick one day in the year to enjoy the hospitality of the Flynn family. The day was spent in boating and fishing and dinner and supper was served at the reservoir. In all the day was a most enjoyable one from every stand point.

Whitlock Family in Pleasant Reunion.

Mr. and Mrs. C. J. Whitlock of Franklin were host and hostess Sunday to members of the Whitlock family, who gathered for a pleasant reunion at the Whitlock home and from there went to Burlington Lake and spent the day at the Franklin Outing club. Good things to eat in ample quantity were provided and at noon the company enjoyed a plentiful picnic luncheon. Some engaged in swimming during the day and others took advantage of the boating facilities. The hours were spent with pleasure and each guest will preserve memories of a day well spent.

There were present Mr. and Mrs. E. L. Whitlock, daughters Alberta and Myra, and sons, Gary and Howard, Jacksonville; Mr. and Mrs. John Duncan and daughter, Hazel Manchester; Mr. and Mrs. E. A. Whitlock and daughters Opal and Ollie; Decatur; Mr. and Mrs. Harvey Duncan and children, Bessie, Wayne, Ernest and John, Roodhouse; Mr. and Mrs. Glen McCabe, Arcola; and H. L. Whitlock and daughters, Virginia and Eva, Jacksonville.

IMPROVEMENTS MADE IN CHICAGO AND ALTON YARDS

Thousands Spent in Making Yards Ready For Heavy Hauling.

Extensive improvements have just been completed in the Chicago & Alton freight yards which will make traffic for teamsters there much easier. Fully 125 car loads of dirt were removed and the space excavated was then filled with rip rap to a depth of 12 inches. This was covered over with 10 inches of crushed stone and then screenings to a depth of 3 inches was applied as a covering. The result is that the Alton has fine paved yards and the trackage room afforded for coal hauling will thus be in excellent condition, no matter what the weather. The Alton has spent several thousand dollars for this work and it is the best thing of the kind ever done by the railroads here.

The special type of construction is the same as used for hard roads in Indiana and has been adopted by the Alton as the standard for work around station buildings and in yards subjected to heavy traffic. The work was done under the general direction of J. P. Corcoran of Bloomington, roadmaster, and Thomas Flynn, local section boss. Thomas Flynn of Bloomington, C. & A. supervisor, also had much to do with the work. It will be remembered that Mr. Troy was killed in an accident at Bloomington just a few weeks since. Naturally the local agent of the road, D. C. Diltz, is greatly pleased to have this improvement made as the local facilities for handling freight are thus so much more to the advantage of local shippers.

FUNERALS

The funeral of Benjamin F. Wyatt whose remains were taken from this city to Springfield Saturday, was held there Sunday at the residence of Mrs. William Drake, Jr., 1120 South Eighth street. The services were in charge of Rev. H. Bowyer, pastor of Central Baptist church. "Lead Kindly Light," and "Face to Face" were sung by Roy Chiles. Before the funeral cortege moved to Oak Ridge cemetery members of the John R. Tanner circle No. 54 of the G. A. R. conducted the flag service. At the cemetery the burial services were in charge of Stephenson post No. 30 G. A. R. The bearers were all old soldiers, comrades of the deceased and were J. M. Stevenson, Robert Elliott, John F. Fagan, I. Irwin, R. W. Ewing and Thomas Wright.

B. P. O. E. DELEGATES RETURN FROM BALTIMORE MEET

Arrangements for Gathering Were Excellent—Side Trips for Delegates Filled With Interest.

The local delegates to the National convention of the B. P. O. E. held in Baltimore report a trip that was enjoyable as well as educational in every detail. The men who made the trip are: F. L. Sharpe, Louis Deutsch, Normal Kuykendall, Joseph Burger and Curtis Copp. The party left here on the evening of the eighth and most of the members returned yesterday afternoon at 2:00 o'clock. They arrived in Baltimore on the morning of the tenth. They then went on to Washington on the eleventh and while there were the guests of the Hon. H. T. Rainey.

After they left Washington the Jacksonville men took a boat excursion to Love Point, where they were the guests of Baltimore Elks. Subsequently came trips to Atlantic City and New York and, of course a few hours were spent at Coney Island. Then followed a river trip up the Hudson to Albany, followed by a visit to Boston, where they made headquarters for several days. Automobile trips took them to Lexington, Concord and a number of other places of great historic interest. Notable of these was the home of John Hancock, one of the signers of the Declaration of Independence. They started homeward from Boston Saturday noon. Returning thru the New England country in the daytime they had opportunity to see some of the farm lands and thus gained a more exalted idea than ever of the rich farming lands of Illinois. Vast acreages there are practically worthless for farming purposes and the traveler sees hundreds and hundreds of farms abandoned, the improvements, excellent but the land wholly non-productive. But the country must be given credit for the great manufacturing plants.

Sunday was spent at Niagara Falls and the travelers left Buffalo Sunday evening. Mr. Sharpe as spokesman for the returning delegates, said that they were fortunate in all their trips in securing excellent hotel accommodations and in the splendid train service. The Baltimore Elks were untiring in their efforts to entertain and all the delegates thoroughly enjoyed the convalescence.

THE BIRTH RECORD

DE FACTO GOVERNMENT TROOPS DEFEAT SMALL BAND OF VILLISTAS

CHIHUAHUA CITY, Mexico, July 24.—A small band of Villistas who had been operating under the command of Calixto Contreras, were defeated yesterday in an engagement with cavalrymen of General Aguirre's forces, according to reports from General Domingo Arrieta here today. The bandits had been separated from the main command shortly before the recent engagements along the Rio Nazas and was making its way east when the government force encountered them at El Charro on the Durango railway the dispatches said. The Villistas were unable to withstand the Carranzista charges and scattered toward the mountains.

General Aguirre's command is making every effort to run them down it was reported.

Mr. and Mrs. C. L. Mathis and Mr. and Mrs. T. V. Hopper are to attend sessions of the National Shoe Retailers convention at Hotel La Salle in Chicago this week. Mr. Hopper is treasurer of the association.

QUEENS OF AVALON.

The Queens of Avalon met in regular session Tuesday evening at their Court of Astolat at Centenary church. There was a pleasant social time in addition to the regular business of the order.

SEVERAL DEMOCRATS WILL NOT BE BOUND BY CAUCUS DECISION

Attempt to Whip Senators into Line Against Consideration of Child Labor Law May Meet With Serious Opposition.

Washington, July 24.—Several Democratic senators declared tonight they would not be bound by any caucus decision to postpone action on the child labor bill until next session in the face of President Wilson's request that it be passed before adjournment. They pointed out that the Republicans were ready to demand that the measure be brought up if the majority refused to include it in its imperative program, and predicted that an attempt thru a caucus agreement to whip Democratic senators into line against its consideration might meet with serious opposition.

What shall be done with the child labor bill is causing Democratic senate leaders some concern. Southern senators on the majority side who were instrumental in placing it well down on the legislative calendar, where it would be almost certain not to come up before adjournment, have shown little evidence of withdrawing their opposition. It has been reported that an effort to force the measure thru would mean a determined party revolt from that quarter. Senator Simmons of North Carolina and Smith of Georgia talked with President Wilson about the bill today. The president is understood to have told them he would not insist further on its passage if the caucus decided against it. It is expected it will be called up, either by Republicans or by its insistent Democratic champions.

CHICAGO WITNESSES HOTTEST WEATHER SO FAR THIS SEASON

CHICAGO, July 24.—Chicago witnessed the hottest weather so far this year when the thermometer reached 93 at 11 a. m. today. There were a number of prostrations reported, but none serious.

Going to the great number of persons bathing in Lake Michigan these days and death of three persons last week at public beaches, the Chicago life guards were examined as to fitness today.

Eleven of the thirty guards examined failed in the tests, which included:

Swimming forty yards in thirty seconds.

Swimming twenty two yards under water.

Diving and bringing up three out of six objects.

Swimming with a twenty pound weight in one hand for thirty feet. Subduing a supposedly drowning man, and carrying him forty four yards thru the water.

CONTRIBUTIONS TO "CONSCIENCE" FUND AMOUNT TO \$54,924.15

WASHINGTON, July 24.—Contributions to the treasury's "conscience fund" for the fiscal year ending June 30th amounted to \$54,924.15, making a total of \$498,763.54 returned by persons whose consciences were uneasy over frauds against the government. Figures compiled at the treasury department today show the returns were much larger during the past year than ever before, chiefly because of the unusual contributions, one for \$20,000 and one for \$10,000. It was in 1811 when the first \$5 came with a letter saying the writer had taken that amount from the government. The money was turned into the treasury and altho actually never has been a separate conscience fund, records of all such contributions have been kept. It is an unwritten law of the department that no effort shall be made to learn the identity of the conscience stricken contributors and even in cases where the writer has confessed to theft from the government the money has been accepted and no effort made to prosecute. From 1811 until 1827 there were no receipts. Since then, except for 1848, not a year has passed without amounts large or small, coming in.

KILLS WIFE, BABY AND SELF

Flint, Mich., July 24.—Jealousy of his wife for which he apparently had no reason, is said here to be the cause of the triple tragedy at Lake Forest, Ill., in which Lloyd A. Crandall of Flint took the lives of his wife, baby and himself yesterday by persons with whom the family had lived in Flint. Crandall was a time keeper for the Buick Motor company. It is said that Mr. and Mrs. Crandall had quarrelled continuously.

NAME THOMPSON RECEIVER

Chicago, July 24.—William W. Thompson, a certified accountant was today appointed receiver of the Royal Life Insurance company upon the application of Rufus M. Potts, state insurance superintendent. The court found that the company's operation was hazardous to the public and insured and granted an injunction restraining it from transacting business.

Mrs. F. J. Rehlander expects to leave today for her home in Lincoln, Neb., after a two weeks visit in the city with her parents, Mr. and Mrs. George Tremblett. While in the city her little daughter, Jane, has been very sick. Mrs. Tremblett will accompany them as far as Kansas City.

REWARDS FOR PERPETRATORS OF FRISCO BOMB BLAST REACH \$13,000

Police Begin Systematic Organization of Bomb Plot Bureau

San Francisco, July 24.—Rewards reached \$13,000 for the arrest and conviction of the perpetrators of the bomb explosion which killed six persons and injured forty two in San Francisco's preparedness parade Saturday. Of this amount \$1,000 was offered by Governor Hiram W. Johnson in the name of the state and \$5,000 by the law and order committee of the San Francisco Chamber of Commerce.

The San Francisco board of supervisors today authorized the use of \$1,000 as a reward, this representing one fifth of the \$5,000 offered by Mayor James Rolph, Jr., yesterday. The mayor said he would pay the remainder out of his own pocket.

Two individuals, one a brother of a victim, the other a friend of one of the dead have offered \$1,000 each for the apprehension of the guilty persons. The police began today the systematic organization of a bomb plot bureau. Numerous witnesses were questioned but no additional arrests have been made. One man was arrested Sunday but the police admit they have no evidence against him.

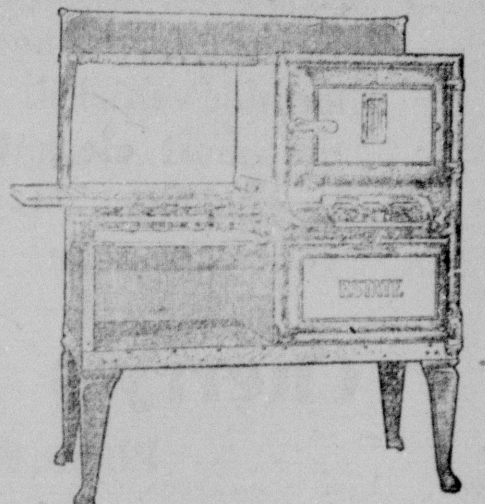

REPORT 73 CASES OF INFANTILE PARALYSIS TO STATE BOARD

SPRINGFIELD, Ill., July 24.—A total of 73 cases of infantile paralysis has been reported to the state board of health, Dr. C. St. Clair Drake, secretary, announced today. In 65 of these cases the original diagnosis of the attending physician has been confirmed. Three deaths from the disease have been reported. Twenty of the cases are in Chicago. While this condition does not give cause for alarm, in the opinion of Dr. Drake, "it is not unfavorable to the development of the epidemic."

Miss Jennie Duncan, chief operator at the Bell Telephone Co. office has completed a pleasant week's vacation.

Estate Fireless Cooker

The Key to Kitchen Economy

One simple movement of a lever converts the bake oven from a very efficient gas range oven of the usual type into an airtight, heat-tight fireless cooking compartment in which any desired temperature can be maintained almost indefinitely without the use of gas.

ESTATE

Fireless Cooking Gas Range

bakes and roasts with stored up heat, thereby reducing gas consumption two-thirds. Anything that can be prepared as customary in any bake oven can be prepared in the oven of the Estate Fireless Cooking Gas Range with the positive assurance of perfect results and a big saving in gas.

Come in and let us demonstrate this "economical" gas range wonder to you

Beef Roll

A New Way of Using Left Overs
By Mrs. Janet McKenzie Hill, Editor
of the Boston Cooking School Magazine

Every housewife finds the disposition of left overs a most perplexing problem. K C Beef Roll will go a long way toward helping you out when the family get tired of hash and stews. You really ought to try it for supper tonight or tomorrow night at the latest.

Beef Roll, K C Style

Three cups flour; 1 teaspoon salt; 3 level teaspoons K C Baking Powder; 1/2 cup shortening; 1 cup milk; 1 cup each, chopped cooked beef and ham; 1 teaspoon mustard; 2 beaten eggs; 1/2 cup onion; 1/4 teaspoon each, salt and pepper; brush or water.

Make a biscuit dough of the flour, salt, K C baking powder, shortening and milk, and roll into a sheet half an inch thick, having the ends even. Mix the other ingredients by themselves, using liquid as needed, to make a paste. Spread the paste over the dough and roll like a jelly roll. Bake in a buttered pan about forty minutes. Brush over the outside with a little beaten egg left for the purpose and return to the oven to brown. Serve hot with a rich brown sauce. Other meats, such as chicken or veal, alone, or in combination, may be omitted. The onion and mustard may be omitted.

Ninety recipes—just think of it—by the famous cooking authority, Mrs. Janet McKenzie Hill, sent free upon receipt of the colored certificate packed in 25-cent cans of K C Baking Powder. Send for the handsome Cook's Book today to the JAGUE MFG. CO., Chicago.

MAKE A NOTE

Before you decide to build with wood, make a note of these FACTS concerning OUR CONCRETE BUILDING BLOCKS:

- FIREPROOF
- NELEMENT RESISTING
- LOW MAINTENANCE COST
- MAINTAIN HOT AND COLD WEATHER PROTECTION
- HANDSOME APPEARANCE

The wise man builds with OUR CONCRETE BLOCKS—they prove the most economical in the end. Let's talk the matter over with you.

SPEEDERS MUST BEWARE WHEN IN MANCHESTER

Policeman There Has Orders to Enforce Law—Child Injured by Fall

Manchester, Ill., July 24.—Bodie Greenyalt was in Jacksonville Sunday evening to see T. J. Beadles, his cousin, who is in the hospital with a broken limb.

E. G. Saye of Jacksonville spent Sunday with his family here at J. C. Andras.

J. E. Glossup returned Saturday night from Normal, Ill., where he has been in school for six weeks.

Miss Pearl Gidney of Jacksonville spent Sunday with her mother, Mrs. Belle Gidney. She was accompanied home by her grandmother, Mrs. Susan King, of Winchester, who will make a visit in Jacksonville with her daughter, Mrs. J. W. Todd.

Elder J. H. Hostetter, a former pastor of the Baptist church here, preached here Sunday at 11 a. m. He and family reside in Rock Island but have been taking a trip thru the country in their car.

Mrs. Mary McPherson is confined to her bed the past few days. She is 77 years of age.

Perry Alfred has completed building a garage on his place. He continues to make necessary improvements which add much to the appearance of his property.

James Overton and family were over from Winchester Sunday visiting Mrs. Emma Hayes and daughters.

Autoists who drive thru this place are fast becoming aware of the fact that they must observe the speed limit law or suffer the consequences. Wm. Lawson, the city police and night watchman, has orders to enforce the law on drivers who are speeding on our streets. He has stopped several cars that were being driven too fast and intends to keep an eye open for such parties regardless of who they are. "Shorty" as he is familiarly known is the right man for the place.

Mr. and Mrs. E. E. Million of Muskogee, Okla., have been detained from arriving here last Saturday on account of an accident which befell their little daughter, Sarah Willard, aged 4 yrs., who fell and broke her arm. They have brought the child to Kirksville, Mo., for examination and treatment in the osteopathic hospital and as soon as is possible will come here for a stay.

J. A. HENDERSON CELEBRATES 89TH BIRTHDAY

A most enjoyable day was spent Sunday at the home of C. P. Henderson, two miles west of Litterberry, the occasion being the 89th birthday of his father, J. A. Henderson. Mr. Henderson is a resident of Litterberry and for several years it has been the custom for one of his children to hold a celebration at their home. The one held Sunday was one of the most pleasant that has been held. Altho Mr. Henderson is eighty nine years old he retains his health in a remarkable manner. He made the trip from Litterberry to the farm by auto, and enjoyed the day as much as any of his grandchildren. The entire day was spent at the farm and a delightful dinner and supper were served.

Those present were J. A. Henderson and wife of Litterberry, E. J. Henderson and wife of the Ebenezer neighborhood, John Myers and family of Litterberry, L. H. Maul and family of Litterberry, E. E. Henderson and family of Jacksonville, H. L. Hutches and family of Litterberry, and the only living brother of Mr. Henderson, Mr. W. Henderson, of Jacksonville.

All present came in cars and when the guests departed it was wishing Mr. Henderson many happy returns of the day.

AN OLD PROVERB.

It used to be proverbial that every man (and it is certainly no less true of woman) is either a fool or a physician at forty. This means that every intelligent person must learn so much about caring for his own health that by the time he is forty years of age he can almost be reckoned as a physician.

Why, then, is there so much talk by doctors against "self medication?" A woman can recognize all ordinary ailments without calling on a doctor. If they are ailments distinctive to her sex she generally knows enough to use that greatest of all remedies for such ailments, Lydia E. Pinkham's Vegetable Compound, and likewise she is familiar with the standard remedies for other diseases.—Adv.

Dr. Mary Cox left Sunday for Chicago where she will visit for a few days and from there she will go to California and spend the rest of the summer.

EST STATE ST.

When Young Men and Old Soldiers Met in 1840

(By Isabel Jamison, for State Historical Society.)

(Third Installment.)

The Whig committee of correspondence, in accordance with a resolution adopted at a meeting of the Morgan county old soldiers April 11, forwarded an invitation to General Harrison to attend the meeting June 4, but he was unable to accept. All this time the Whig young men were working like beavers, and owing to their contests and conventions, Governor Ford said in his history of Illinois, that no standing army was better organized and disciplined than the Harrison forces in Illinois. State politics was pushed into the background for the time being. The Democrats began to show that they were puzzled. They tried argument, ridicule, and finally, imitation, but too late; they were out-sung, outshouted, outtalked and outlaughed. The "Vangies" had talked of holding a state meeting in emulation of the Whigs, but fearing that they might not be successful in out-doing their political opponents, the Democratic state central committee, consisting of Stephen A. Douglas, I. R. Diller, V. Hickox, M. K. Anderson, and W. M. Walters, issued an address to the rank and file of the party, thru the columns of the Illinois State Register which read as follows:

"To the Democratic Party of Illinois:

"We have received intelligence from our friends in various parts of the state, assuring us that at this busy season of the year, the Democratic farmers cannot, without great inconvenience, leave their farms for a period of time necessary to attend a convention at Springfield; a very few counties have already appointed their delegates and have shown a disposition to make every sacrifice for the interests of their party and their country.

"In view, however, of the times and the inconveniences to which the Democrats will be subjected at this busy season of the year, in leaving their work to attend a convention hundreds of miles from home, we beg leave to suggest to our friends in all parts of the state that it is inexpedient to hold a young men's convention in June next. The Democratic party is eminently a sober and reflective party. It believes not in pomp, parade nor show. It leaves such humbuggery to that party whose opinion of the public intelligence is so low as to lead them to act upon the unworthy principle that the people are to be led by show, and not moved by sober, honest appeals to their judgment. To that party we are willing to yield all the benefits of pomp and the exhibition of picturesque log cabins, canoes and old cider barrels; but for our own cause, we trust to the quiet but certain influence of truth and correct principles to again conduct us to victory."

In 1840 the federal census gave Sangamon county a population of 14,716, of which number 2,579 resided in the town of Springfield that had been for three stormy years the capital of the state, and was still a struggling village; altho it had been that year incorporated as a city, and an abortive attempt had been made to corral some of the live stock that perambulated its streets and wallowed blissfully in its gutters.

East and south of the little town, stretches of blue stem and rosin weed waved in the wind, where the prairie rolled to meet the sycamores of the Sangamon, and west and north hovered the tender, misty purple of forest trees. The old stage roads still threaded the prairie grass and wound in and out of the groves; but, as yet, no bands of steel linked the ambitious little state capital with the outside world; and, even with the best will in the world, the fourteen thousand odd inhabitants of Sangamon county had made but scanty progress in musing up the landscape with coal mines, factories and tin cans.

But that Sangamon county of 1840 possessed a stupendous amount of energy, enthusiasm and executive ability, is evidenced by the planning and successful accomplishment of the Whig young men's convention and old soldiers meeting on June 3-4 of that year. It was a great undertaking for those days, when traveling was a very strenuous matter at best; and to carry out the plan of such a meeting successfully required an amount of faith and optimism from start to finish that only pioneer days seem able to supply. The results justified that faith more completely than faith is often rewarded. It was an outpouring of the people, the bone and sinew of the prairie state; and, like soldiers marching to battle, they came to the music of fife and drum, with flags and banners, tents and commissary, in lumbering wagons drawn by mules or horses, or plodding oxen, some of them eight and ten days on the way. They journeyed thru mud and shifting quicksands, fording creeks, ferrying across rivers, straining over bumpy hillocks by day and serenaded by prairie wolves as they gathered around their camp fires at night. Among the pilgrims there were between two and three hundred hoary-headed veterans of the Revolution, and grizzled soldiers of 1812, all journeying to what proved to be a final rendezvous for some, and a

last pleasant memory of reunion for others.

As the delegations neared Sangamon county, the enthusiasm of the people living along the various roads over which they traveled, became more manifest. Men were plowing their field with Tippecanoe flags fluttering from their horses or oxen, or riding rampant upon the plows themselves. Many of the tavern keepers refused to take payment for provender furnished, and patriotic old soldiers made the travelers free of gardens and smokehouses.

Women vied with men in the heartiness of their greetings. At Irish Grove, a woman stood in front of her log cabin waving her shawl and shouting that all Irish Grove's forty families were Whigs but one.

The weather on Tuesday, June 2, was clear and brilliant, and the marshals, under the direction of their chief, Dr. Merryman, were on parade, mounted and in uniform, at 2 p. m. The uniform was a dark coat, black hat, white pantaloons and white gloves. The assistant chief marshals, William Prentiss, F. Webster, W. G. Abrams, Albert T. Bledsoe and Z. P. Cabiness, wore pink scarfs with white rosettes and carried white batons; the marshals, about 75 in number, wore blue scarfs with white rosettes and carried white batons.

Following an announcement that the Chicago and other northern delegations were nearing the city, a detachment accompanied by the Springfield band, was detailed to meet and escort them to the place of encampment, under a salute from the ubiquitous cannon that had ushered in so many national holidays and broken so many windows since they were first unlimbered by the Springfield artillery in 1835. The arrival of the Chicago delegation with its miniature brig from the lake, its streaming banners and quickstep music, to say nothing of the volcanic cheers that burst forth with such a hearty good will, formed a fitting prelude to the stirring events of the two or three gala days that followed.

The encampment was formed on the green north of Elijah Hies' residence, which stood at the corner of Sixth and Cook streets, now occupied by the First Christian church, and soon the camping ground became a mass of life and color. Immediately upon the arrival of a delegation, it was waited upon by marshals, with wagons and carts in their train, which supplied hay and corn for the horses and oxen and wood for the camp fires. Tents sprang up like mushrooms after a spring shower, and the smoky incense of hundreds of camp fires floated out upon the air. If the tents were too crowded for comfort, lodging was supplied the overflow in the private residences of the town.

More delegations were constantly arriving, and the gayly caparisoned marshals flew about like gorgeous leaves in an autumn gale. Some neighborhoods turned out with almost their entire population, bringing their minister with them; and, as the reveille sounded morning and evening, they gathered for a short service of prayer. It is not meant by this to imply that all the delegations behaved like a Sunday school picnic, that would have been too much to expect of a political meeting.

Three-fifths of the delegates, according to a letter written upon the ground by one of them, were farmers, and he declared that it looked as if all the suckers in the state had come up stream and down stream to gather in the country of the Sangamon.

The spectacle in the evening was one to linger in the mind's eye for many years. A clear, silvery moon hung in the west, while in the north, above the purple line of forest, a black mass of high-piled clouds now and then spat out vicious tongues of lightning. Thousands were encamped upon the rolling prairie, their illumined tents gleaming like radiant balls and their camp fires flickering like fireflies. Bands of music played in different parts of the camp; glee clubs rolled out the doggerel of the Tippecanoe campaign, set to the music of popular songs; rockets shot up from the prairie here and there, and dripped flecks of fire from the dark blue vault above; ambitious orators tried their pretence hand upon good-natured audiences gathered in the open spaces, and mighty shouts of approval greeted each telling point in the discourse; and all these diverse elements mingled in a whirl of sound and motion that surged thru the veins of the spectators like the spirit of the hard cider of which the glee clubs sang.

(To be continued.)

BIDS FOR COAL

Bids for coal will be received at the office of the superintendent of schools in the David Prince building until 12 o'clock noon, Monday, July 31, for furnishing coal for the city schools during the ensuing year.

Bids are asked on 6 inch lump, 1 1-4 inch lump and 1 1-4 by 6 inch egg. The board reserves the right to reject any or all bids.

Mary E. Pierson, Secy.

LITTERBERRY.

Oscar Young and wife of San Francisco, California, are here visiting relatives and friends, making their headquarters at Maple Mount, with Mr. and Mrs. Willard Young.

The Christian church voted their minister, Rev. C. G. Cantrell, a vacation and he started Monday morning on a trip in his Ford car, going to Indiana, Pennsylvania, and West Virginia, taking his wife and Mrs. Lizzie Litter with him. His car is in good order and is fitted out with a tent, cot, and cooking utensils. Brother Cantrell will sleep in the tent, but the ladies will put up in a hotel at night. We wish them a perfect outing.

We are glad to welcome the little girl that came to live at "Rose of Sharon" on last Friday, and we congratulate Mr. and Mrs. Orville Crum on the birth of this little daughter.

This seems to be an unlucky summer for Carl Cooper. Sunday morning Mr. Ernest Clark backed his Interstate car over Carl's motorcycle, doing some damage to Carl's machine. This is the second time Carl has been run over this summer.

J. B. Cooper of Springfield ate dinner on Sunday at Cherry Tree cottage, with Mr. and Mrs. Aaron Petefish, Jr.

George Hacker and family of near Concord attended church Sunday at the Baptist church. He came in his Ford car.

Mr. and Mrs. Taylor Berry had a noonday spread on Sunday in honor of the birthday anniversary of Mrs. Lulu Henderson. Mr. and Mrs. John Daniels and son Harold were guests, also Mr. and Mrs. Alphonso Ratliff and children and Miss Augusta Carlson.

Mr. and Mrs. Henry Myers of San Diego, Cal., spent several days last week visiting at Shady Lawn and Crum Villa with the Litters and Crums.

Mr. and Mrs. C. W. Phelps and children of Breezy Point took a picnic dinner out in the woods last Friday and had a fine time. In the afternoon they went to the creek and caught some fish.

Rev. F. M. Crabtree of White Hall filled his pulpit on Sunday morning and evening. The text for the morning was "For we are laborers together with God." This was an excellent sermon to the church. The evening text was "For my people have heaved them out cisterns, that can hold no water." Brother Crabtree made a strong sermon from this text and a very helpful one, full of good counsel for all.

Mr. Charles Long of Lone Oak, near Grace Chapel, drove up to Sunshine Cottage Saturday evening.

LINUS MONROE OF VIRGINIA INJURED IN HAY BALER

Jacket was Caught in Machinery and Dislocated Shoulder Resulted.

Virginia, July 24.—Linus Monroe of Virginia, while engaged in baling hay on the farm of G. R. Lowe south of this city Monday afternoon was caught in the shafting of the gasoline engine and suffered a dislocated shoulder and severe bruises about the body.

At the time of the accident Mr. Monroe who owns the baler was alone at the engine. In some unknown manner his work jacket caught in the shafting and his body was drawn against the wheel and whirled around with great rapidity. His cries for help brought the men who were assisting him in the work and the engine was stopped. Mr. Monroe was wearing a new work jacket and it was wrapped in the machinery so tight that it had to be cut before he could be released.

The injured man was taken to Virginia where he was attended by Dr. Blackburn. Examination revealed a dislocated shoulder and severe bruises about the body. Later Mr. Monroe was removed to his home where he suffered greatly and it is feared that he has internal injuries. It seems almost a miracle that he was not killed outright.

CHAUTAUQUA TICKETS AND TENTS.

Subscribers for season tickets at One Dollar are requested to call for their tickets at their earliest convenience.

Persons desiring tents should be made as soon as possible.

A. C. Rice, Secretary,
The Jacksonville Chautauqua,
Aug. 18-27 inclusive.

EXECUTOR'S NOTICE.

Estate of Christopher Kavanagh, Deceased.

The undersigned, having been appointed Executrix of the last Will and Testament of Christopher Kavanagh, late of the County of Morgan and State of Illinois, deceased, hereby gives notice that she will appear before the County Court of Morgan County, at the Court House in Jacksonville, at the October term, on the first Monday in October next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All parties indebted to said estate are requested to make immediate payment to the undersigned.

Dated this 24th day of July, A. D. 1916.

Mary Ann Kavanagh, Executrix.
John M. Butler, Atty.

Miss Edna Roney of East St. Louis is in the city for a visit with Mr. and Mrs. G. W. Patterson and Mr. and Mrs. A. A. Dyer.

EASTLAND DISASTER.**
Chicago, Ill., July 24.—With flags
hoisted at half mast in many parts
of the city and with a distinct pause
in the usual rush and hurly-burly
of business and pleasure, Chicago
today observed the first anniversary
of the calamitous Eastland disaster,
when more than 800 pleasure-seek-
ers went to their deaths in the Chi-
cago river within view of hundreds
of spectators who were powerless to
aid them. In every cemetery in the
city floral offerings were deposited
on the graves of the victims today by
relatives and friends. Public mem-
orials and exercises were arranged for
the afternoon and evening at several
halls in the southwest section of the
city, where a large majority of the
victims lived.In the loss of life the Eastland dis-
aster was the most appalling catas-
trophe in the history of Chicago. The
victims, of whom the majority were
women and children, were passengers
on a steamboat excursion to
Michigan City, given to 7,000 em-
ployees and friends by the Western
Electric Company. Just as the ship
was about to start she began to list
and soon lay on her side in 22 feet
of water, her human cargo helplessly
trapped. Hundreds on the upper
deck were thrown in mass into the
water, where many were lost. Most
of the passengers caught below in
the cables or on the lower decks per-
ished without a chance of escape.
They were swallowed up in watery
graves in sight of other thousands
who crowded the Clark street bridge,
the wharves and adjoining streets.**SOX DOWN TIGERS IN

CHING IS GOOD.**Chicago Wins When Coveleskie, Af-
ter Felsch Had Hit Safely, Hit
Terry With the Ball—Dineen Puts
Schalk Out of Game For Ob-
jecting to a Called Strike.Detroit, July 24.—In a hard fought
13-inning game today Detroit lost to
Chicago 3 to 2. The Sox won when
Coveleskie, after Felsch had hit safe-
ly, hit Terry with the ball. A sacri-
fice, an infield out and a single by
John Collins put over the run that
won. Both teams fielded well and
the pitching was good. Wolfgang
was taken out in favor of a pinch
hitter, Schalk was put out of the
game in the ninth by Umpire Dineen
for objecting to a called strike. Man-
ager Jennings of Detroit was notifi-
ed of his indefinite suspension for
his argument with Umpire Nallin in
Sunday's game.Chicago. A. B. R. H. O. A. E.

State of Illinois,)
County of Morgan) ss.
In the County Court thereof to the
August Term, A. D. 1916.
Henry S. Rayborn, as executor of the
last will and testament of Emeline
Rayborn, Deceased, petitioner,
against Louis A. Rayborn, Lucinda
E. Williams, Susan E. Crandall and
Walter Jenkins, Defendants. Petition
for an order to sell real estate to
pay debts.Notice is hereby given to Louis A.
Rayborn, that the above named peti-
tioner heretofore filed his petition
in the above entitled cause against
the above named defendants in the
County Court of Morgan County, in
the State of Illinois, and that sum-
mons issued out of the office of the
clerk of said court, returnable on
the first Monday of August, A. D.
1916, at the courthouse in the City
of Jacksonville, in Morgan County,
in the State of Illinois, which suit
is still pending and undetermined.
That said suit is for the purpose of
obtaining an order of said court,
directing the petitioner to sell the
real estate described in the petition,
and described as follows, to wit: Part
of Block Seven (7) in the Town of
Concord, described as follows: A
(100) feet east of the south west
corner of said Block Seven (7), and
running thence north forty (40)
feet, thence east ninety and one half
(90½) feet, thence south forty (40)
feet and thence west ninety and one
half (90½) feet to the place of begin-
ning, situated in the County of Mor-
gan and State of Illinois, to pay the
debts of said decedent.C. A. Boruff,
Clerk County Court of Morgan
County.

Estate of Grace A. Maupin deceas-
ed.
The undersigned, having been ap-
pointed administrator of the estate
of Grace A. Maupin late of the county
of Morgan and State of Illinois,
hereby gives notice that he will ap-
pear before the County Court of
Morgan county, at the court house in
Jacksonville, at the September term,
on the first Monday in September
next, at which time all persons hav-
ing claims against said estate are
notified and requested to attend for
the purpose of having same ad-
justed.All persons indebted to said estate
are requested to make immediate
payment to the undersigned.
Dated this eighth day of July A.
D. 1916.Oscar F. Conklin,
Administrator.**JACKSONVILLE DEFEATED
ALTA IN SUNDAY'S GAME****A Clean Fast Game With a Score Of
1 to 0—Pieding Work Fine.**Jacksonville again beat Alta by a
score of 1 to 0 at Nichols park Sun-
day afternoon, the same score made
in the game of May 28 only this
time the trick was turned in the reg-
ulation nine innings. It was one of
the cleanest as well as one of the
fastest games ever seen in Jackso-
ville and the fan did not breathe easy
until the last Alta man was retired
in the ninth.Both White and Chambers were in
good form. White was especially
good and pitched the best game of the
season. He had good control and
allowed Alta but five hits. In only
one inning did they get more than
one hit and that was in the eighth.
That was the only time the visitors
threatened to score. He struckout
ten men, walked one and hit a bat-
ter. Chambers was almost as effec-
tive. He allowed seven hits and
struckout four and walked one.There was some nifty fielding by
both teams. Jacksonville went the
route without making an error. De-
Fraites played a wonderful game at
third and grabbed several that look-
ed like safeties. Denny, Fernandes
also got everything in sight. The
outfield did not have much to do.
Until the ninth not an out had been
made in the outer works. Christo-
pher had the only putout, that of
F. Chambers in the ninth which also
made the third out. McCollister
made a great relay of W. Chambers'
drive in the seventh catching the
runner at third.For Alta W. Chambers was the
whole show. Chambers is without
doubt the best shortstop who has
been here this year. He played all
over the field and tho he had two
errors he tried for everything and
almost got everything. He was there
with the club and it took some fast
fielding to keep him from driving
the ball safe. Heavrin also did some
good work in left field, his catch of
a fly from Denny's bat being espe-
cially brilliant.There is not much to tell about
the game in so far as runs are con-
cerned. Jacksonville might have had
a run in the third when Fernandes
hit a roller to Gordon with Denny
on third. Denny thought Fernandes
was going to be put out but no one
covered the sack and he walked in
and was tagged out by Fox on Gor-
don's peg to the home station. The
locals made the only run of the game
in the fourth. Defraites doubled and
took third when W. Chambers let
a toss from Haller get away from
him. Clark immediately squeezed
him over. The score:Alta A. B. R. H. O. A. E.

RIGGSTON GRAIN ELEVATOR PASSES INTO NEW HANDS

B. F. Green Retires from Ownership After Thirty Years of Business and Sells to Company of Six Morgan and Scott County Men for \$8000.00.

Thru a deal which was recently consummated, the grain elevator, situated at Riggston, Scott county, has been sold by B. F. Green to a company of buyers consisting of William Gordon, George W. Hardwick, Albert Jewsbury, Albert Morris, A. B. McKinney and Walter Fearnleyhough. These men have already leased the property to the Merritt Elevator company, for the period of one year.

For over thirty years Mr. Green has been connected with the Riggston elevator, at first being employed by Messrs. Charles and Henry Oakes of Bluffs, and several years ago becoming one of the proprietors. It has been thru the business ability of Mr. Green that the company has flourished, until Riggston is now known as one of the important grain shipping points of the Burlington railway system. Mr. Green felt that he had been devoting a good many years, and in a close way to his business and felt that the time had come for a relaxation. He has not made any definite announcements as to his future plans, further than to state he expects to still make Riggston his home. It is probable that he will devote some of his time to the buying and selling of live stock, in which he has been very successful. It is probable that he and Mrs. Green will make a trip to California and spend the winter there, on account of Mrs. Green's health.

Thru the leasing of the elevator to the Farmers' Elevator company of Merritt, by the recent buyers, the Merritt company will increase largely their territory, from which to draw trade and the combined output of the two elevators, will aggregate a half million bushels of grain yearly.

William Breeding is the manager of the Merritt company and will also have charge of the business end of the Riggston firm.

DIVIDED ACTION ON U. S. STEEL

New York, July 24.—Rumors of an extra dividend on Steel common, ranging from 1 to 3 per cent. are current in Wall street. The rumors, however, are entirely without official confirmation, and nothing definite in the matter is likely to be learned by the public until the directors of the United States Steel corporation meet tomorrow to declare dividends and pass on the report for the second quarter of the year.

Judge Gary, the chairman of the board, is not expected to be present at tomorrow's meeting, but it is likely that his conservative policy relative to dividend payments will be strictly adhered to. Altho Judge Gary is optimistic as to the immediate outlook, he feels that a large cash surplus should be built up in order to meet any reversal that might occur when Europe is in a position to supply her own steel requirements. It is because of the attitude of Judge Gary that steel manufacturers believe that if an extra dividend is declared, it will not be large.

DENTISTS MEET AT LOUISVILLE

Louisville, Ky., July 24.—Knights of the forces, in a vast army of 20,000 or more recruited from every section of the United States, swooped down upon Louisville today to take part in the twentieth annual convention of the National Dental association. Today was devoted to the reception of the visitors and the completion of the final details of the convention program. (The regular sessions will begin tomorrow and continue until Saturday. Simultaneously there will be meetings of the dental supply manufacturers, dental instructors and other organizations affiliated with the dental profession. Some new discoveries and improved methods are promised in the clinical demonstrations and in the exhibit sections where manufacturers and dealers will display the latest ideals in instruments, equipment and efficiency devices.

ANNOUNCEMENT

I hereby announce my candidacy for the nomination for representative in the general assembly of Illinois, 45th senatorial district subject to the will of Republican voters at the primary election, Sept. 13, 1916.

Hugh Green.

WOMEN TO OPEN

HEADQUARTERS

Chicago, July 24.—Headquarters of the national woman's party will be opened in Chicago next month to wage a fight for national suffrage. Miss Anne Martin of Reno, Nev., chairman of the party's national committee announced here today.

Miss Martin, with several assistants left tonight for Colorado Springs, Colo., to attend a conference of the party to be held August 10th, 11th, 12th.

SECOND WARD STARS WON

A game baseball was played between the Jacksonville Sluggers and the Second Ward Stars Monday afternoon, resulting in a score of 13 to 14 in favor of the Jacksonville Sluggers. A good game was played. Sullivan pitching especially good. The batteries for the Jacksonville Sluggers were Sullivan and Wyatt, and for the Second Ward Stars were Lewis and Andrews.

Miss Ruth Dorwart of South Main street went to Pisgah Monday where she will spend a week visiting her grandmother, Mrs. Margaret Anderson.

REPORTS INDICATE SIX VILLA SYMPATHIZERS CAUSE SHOOTING

Gen. Bell Notifies Gen. Gonzales in Juarez—Outlaws Have Rendezvous on "The Island."

El Paso, Tex., July 24.—General George Bell, Jr., commanding the El Paso military district tonight notified General Francisco Gonzales, commanding in Juarez, that his reports indicated that six Villista sympathizers have been responsible for the recent exchanges of shots between Massachusetts National Guardsmen in this vicinity and Mexicans south of the frontier. These outlaws, General Bell's information said have a rendezvous on "the island," a bit of Mexican territory a few miles below El Paso left on the American side when the Rio Grande formed a new channel. He suggested that General Gonzales take steps to break up the band.

Both General Bell and General Gonzales tonight continued their investigation of last night's exchange of shots being outposts of the Ninth Massachusetts infantry and reports that the Americans had crossed into Mexican territory yesterday morning in violation of Mexican rights and last night shot up without provocation a number of homes on the Mexican side of the border.

General Bell said that Brigadier General Leroy Switzer commanding the Massachusetts troops reported that the Mexicans fired first.

NOTICE.

Bids are hereby asked for furnishing coal needed at the city light plant and pumping station for the year beginning August 8, 1916. Bids are asked for 3 inch lump, mine run, pea coal and sized No. 4 and 5 washed. Bids will be received until 10 a. m., Monday, July 31.

The council reserves the right to reject any or all bids.

R. L. Pyatt, City Clerk.

ALEXANDER

Miss Rose Ludwig is spending several days in Springfield.

Miss Althea Hall has returned from a brief visit in Mercedosa.

Porter Corrington and Misses Mamie and Dover Corrington were visitors Sunday in Jacksonville.

Mrs. J. T. Little spent Sunday with Jacksonville friends.

Miss Elizabeth Zellar is home from Normal for a vacation visit with her parents, Mr. and Mrs. Hartmann Zellar.

Mrs. Anna Beerup was in Jacksonville Sunday, the guest of Mrs. M. E. Greenleaf.

Mr. and Mrs. C. M. Strawn motored to Springfield Sunday afternoon.

Mr. and Mrs. Jesse Lawson, near Jacksonville were in Alexander, the guests of Mrs. George Snyder and family.

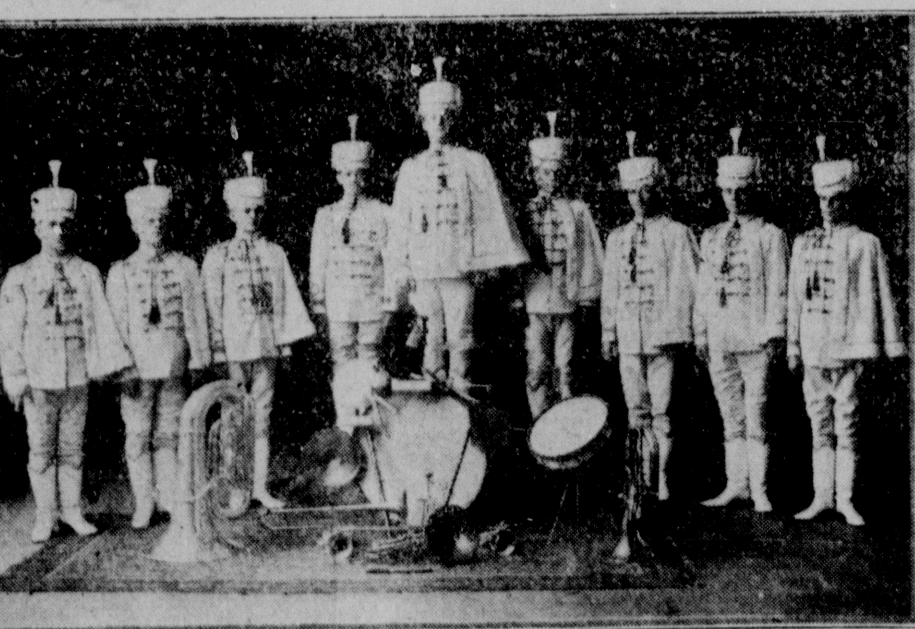

S. M. Maupin and Mrs. C. A. Maupin, his mother, left Monday for Fayette, Mo., to make their home.

FACES TRIAL ON

LYNCHING CHARGE

Kenansville, N. C., July 24.—Considerable interest is manifested in the outcome of the case of Samuel Stocks, charged with having participated in the lynching of Joseph Black, which was docketed for trial today in the Duplin county court.

Black, a negro, had been arrested for furnishing his son with a gun after the latter had attacked a white girl. On April 5 the father was taken from the Lenoir county jail at Kingston and carried to Greene county and put to death. Stocks, a resident of Greene county, is accused of having been a leader of the lynching party.

THE WHITE HUSSARS
A Singing Band

A keen observer says Ralph Dunbar is surely an innovator, for he did the "impossible" when he produced "The Nine White Hussars."

He developed the highest possibilities in band music with nine, just nine—not five times that many men. Of course he secured young men of great musical ability, and best of all with real personalities. To do this would have been an achievement, but to find men who really sing well, and also are artists at playing the necessary band instruments, was a master stroke in the organizing of musical forces.

The point is, it was done, and the Hussars, now four years old, are one of the most talked of musical organizations in America today. They have appeared during the past season in every important American

OPEN GRAND CIRCUIT MEETING AT DETROIT

FAIR TIME AND CLOSE FINISHES THE RULE

Every-Heat-a-Race Plan Governs Events—Three Heats are Run in Each Class Excepting the Colt Events.

Detroit, Mich., July 24.—With weather conditions ideal and the track in good shape, the local Grand Circuit meeting began at the Michigan State Fair grounds today. Fair time and close finishes was the rule. Under the every-heat-a-race plan governing at the local meeting, three heats are run in each class excepting the colt events. The purse is divided into three equal parts and apportioned in each heat 50, 25, 15 and 10 per cent. The horse standing best in the final summary is declared the winner of the event. Entries in the 2:17 pace today were so numerous that it was necessary to divide the field and make two races of it. In the first division of this event, Canute took three straight heats with little trouble, altho Deputy Sheriff put up a game fight for the first heat. The two dollar partumutes paid \$47.80 on Canute in the first heat. The 2:10 trot went to Director Todd, who won the third heat by a nose after landing second in the first two. The second and third heats provided the best contest of the day.

Gilbert Patch, son of Dan Patch, won the second division of the 2:17 pace in straight heats. Miss Rejected contested the second and third heats, but Gilbert Patch was a little stronger at the finish.

Zombro Clay, an outsider paying \$182.80 in the two dollar mutuels in the first heat won the 2:18 trot. The \$5,000 Board of Commerce stake for 2:06 pacers, is the feature event on tomorrow's calendar.

2:17 pace first division. Purse \$1,200. 3 heats.

PRAIRIE STREET PROPERTY OWNERS
ARE STRONG FOR ASPHALT

Petition Presented to Council Has Names of More Than Sixty Percent of Owners—Sidewalk Work Is One Prospect.

At the city Hall Monday morning the board of local improvement held a short session before the council met. This was done in order to permit residents of South Prairie street to present their petition in favor of asphalt. This petition was read by Horace H. Bancroft and showed that property owners of more than sixty per cent of the frontage favored this material.

The members of the board assured the property owners that in view of this petition they would start proceedings for asphalt pavement and a motion to that effect was made by Mr. Vasconcellos with a second by Mr. Martin. It will require about sixty days to originate asphalt proceedings and take them thru the court routine. The property owners present were M. H. Havenhill, J. M. DePew, Joseph Cridland, Deem Rapp, J. H. Jewsbury, H. H. Bancroft, Henry Struck, O. H. Keuchler, M. E. Gilbert, Mrs. E. O. Mayer, Mrs. George Hollinger, Miss Lydia Hamilton.

The signatures for the petition were secured by J. H. Jewsbury, Henry Struck, M. H. Havenhill and H. H. Bancroft. In addition to the formal petition showing the frontage owned by a long list of persons, Mr. Bancroft read a letter from Miss Mary Rhodes and another from Miss Mabel King, expressing preference for asphalt. With the assurance that their petition would receive favorable action, the Prairie street people withdrew and a council session was then held.

TARVIA ORDINANCE POSTPONED

After the usual routine Mr. Martin made a motion that the ordinance for the paving of Prairie street with tarvia be continued until the first Monday in September and this was the action taken. The Clay avenue paving ordinance was received and adopted.

Mr. Widmayer reported that the money for about \$2700 worth of claims will be ready for payment the latter part of the week. Mr. Cox reported some progress in the construction of the brook sewer although water is making the work very difficult. The reason the sewer causes so much trouble is because of tar which comes from the gas plant. It was suggested that if the Light company would construct a settling basin on its own property that the annoyance and expense of having the tar in the city sewer would be obviated. This matter will be immediately brought to the attention of the company.

PREPARE FOR SIDEWALK WORK

Mr. Vasconcellos reported repairs on one of the wells at the north side station as completed and another well temporarily out of commission. He told also of repair work completed at the dam at the south side pumping station. In an informal discussion which followed it was made clear that some extensive sidewalk work will soon be undertaken. Property owners where walks are needed have been listed and will be notified that they must make the improvement within a specified time or else the city will do the work and tax the cost against the property. In order to do this it is necessary to have an ordinance in certain correct form and just as soon as this is ready the notices will be sent out and the work commenced in all cases where the property owners fail to act. Mr. Vasconcellos stated that he would notify the Railway & Light Co. that \$600 due on a back bill must be paid at once or water would be shut off. It seems that some time ago it was found that the company was getting water which did not run thru a meter and the claim was settled by agreement and six months' time allowed for the second payment which has not been made.

There was some discussion as to further street cleaning. The very rough condition of the street pavements makes the cleaning work very difficult and Mr. Cox said it was wellnigh impossible to "broom" them. If added force is necessary in order to keep the streets cleaner the council will be willing for this expense. Mr. Cox is now using all the force he has at his disposal to the best advantage. After consideration of still other general subjects the council adjourned.

Petition Filed

The Prairie street petition was as follows:
Jacksonville, Illinois,
July 17, 1916.
To the Board of Local Improvements
of the City of Jacksonville, Ill.
Gentlemen:—

We, the undersigned, owners of real estate on Prairie Street in said city, between Lafayette avenue and Edgmon street, do hereby express our preference in the matter of the material to be used in connection with the paving of said street. We favor an asphalt pavement, with concrete curb and gutter, and at a width of 28 ft., same to be of substantially the same character as the one on College street. The work to be done at a reasonable time of the year.

HUGHETT'S HUMMERS WON

IN FAST GAME SUNDAY

Defeated Franklin with Score of 5 to 4—Both Pitchers Were in Fine Form.

Hughett's Hummers played a game with Franklin on the Franklin grounds Sunday afternoon, winning with a score of 5 to 4. It was a high class fighting game, one of the best played at Franklin this season. It was a pitchers' battle from the start. Clifton, of the Hummers, struck out seven men in succession, fourteen in the whole game. Got scall for Franklin was also in fine form and the Hummers gathered only three hits. Franklin did not score until the 5th inning, when Hart made a long drive to center field and was put across for a score. G. Grimsley replaced Brown in the 7th inning and got a hit with two men down, thus starting a rally which put Franklin one ahead. But the Hummers came back in the 9th with two more runs which gave them the game. The line up, runs, hits and errors follow:

"AN APPEAL TO THE PUBLIC"
Will some one be GOOD ENOUGH to tell me (if he can why it is that all the automobile dealers in town are trying their LEVEL BEST to trade their new cars for SECOND HAND FORDS? Is it because they want to get a lot of junk on their hands or is it because they ABSOLUTELY KNOW that they can sell their Ford any hour in the day?
C. N. PREST,
The Ford man.

GAVE RILEY PROGRAM

F. M. Brewer, manager of the Dunlap hotel, who is a native of Indiana altho the greater part of his life has been spent in Illinois, arranged yesterday for an informal program in memory of James Whitcomb Riley. Guests of the hotel to the number of twenty five or more gathered on the lawn from 7 to 8 last night and listened to a program of Riley readings given by Hugh Green, who has made a special study of Riley's writings. Mr. Green has a score or more of Riley's poems at his tongue's end and he gave ten or twelve during the hour from memory. The readings were presented in a way which showed Mr. Green's understanding of the verses and his great admiration for the "Hoosier Poet."

DRY WEATHER CAUSES WORRY FOR THE FARMERS

Corn Is Beginning to Fire Badly—
Black Rust Reports Sends Wheat
Prices Skyward—Corn Worth 75
Cents in Cribbs Now.

The continued dry weather is causing a great deal of worry among Morgan county farmers. In a few localities rain has fallen in sufficient degree to help the corn but these areas are small in comparison with those fields where there has been no rain. It is now five weeks since there has been any rain in a great many localities in this county and as the necessary result considerable corn is firing badly. This is especially true of the late planted corn and also true where the soil is especially light. This does not mean that the crop is ruined but it does mean that unless there is rain within a week that the total production in the county will be cut down considerably below normal.

While most farmers are agreed upon the advantage there is in getting the ground for corn into fine shape before planting and then plowing the growing corn four or five times, with possibly some special work in preparation for a dry season, they realize that all of this work is of no avail unless there is sufficient rainfall to "make" the corn. So those farmers who study crop conditions and the authorities at the school of agriculture have the saying that the volume of corn crop really depends upon the rainfall in July and August. The good methods of cultivation are valuable in their way but the rainfall is necessary. To make the best crops proper cultivation and the right amount of rain at the proper time go together. Without the very best methods of cultivation it is possible to raise a fair corn crop when weather conditions are just right, but no amount of cultivation will produce corn with out rain. In view of these conditions a mighty hope is expressed all over Morgan county that there will be a generous rain sometime this week.

The market for wheat, corn and oats continued to advance Monday and local elevators were able to pay \$1.15 a bushel or better for red wheat, 75c for corn and 34c for oats are the prevailing prices. Corn has gone up 5c a bushel within a week but the most sensational advances have been on wheat. In two weeks' time prices have advanced 17c. C. A. Obermeyer of the Jacksonville Grain & Commission company, in answer to questions yesterday said that this advance is occasioned mainly by reports of rust from the northwest. There have been reports of this kind for ten days or more and the weather favorable to rust continue and the grain men believe now that the crop will fall far short of the government estimate.

It is not unusual for wheat to show such surprising advances just at the time that the new crop is being received. This condition is accounted for not only by the rust but because of the light crop. There were large holdings of last year's crop of wheat known to be in the hands of the growers, but the quality of last year's wheat was exceedingly poor. Realizing that the quality was not good, farmers who had held their grain hoping for a high market in the winter or spring months, felt that they must sell the 1915 crop before the new crop was marketed. Thus there have been heavy sales within the past two months, evidenced by a market showing a continued downward tendency.

Then came the reports of the black rust in the northwest and the accurate knowledge of the shortness of the crop in the central west, and the market began to climb. Mills now are clamoring for wheat and are specifying the new crop because it is so far superior to that of last year. Much of the wheat this year is heavier than the standard weight requirements. Thus, early in the season practically all of the Morgan county wheat crop has been harvested and threshed. It is not an uncommon occurrence for a threshing outfit to take care of the crop of three or four farmers in one day.

Corn prices have advanced partially because of the wheat advances

But more particularly because there is a small supply of good corn in the country. It will be remembered that in the northern part of the state the corn crop was cut short because of the early frost. In Iowa there was a vast amount of soft corn and feeders there shipped in quite so quantities from Illinois. Farmers who have corn are therefore certain of an excellent price, for 75c is now the figure offered and with a continuous demand and the fear that the dry weather is going to cut short the 1916 crop, that which is now on hand is likely to become still more valuable. Thirty four cents is a good price for oats and the crop prospects are good and there is little likelihood that oats will demand a lower figure unless there is some slump in the wheat and corn prices. Another factor in the oats market is the good European demand.

WINCHESTER

Miss Kate Lyons was called to St. Louis Saturday night by the death of a relative.

Mathew Chance, who suffered an injury to his hand by running a nail thru it Saturday is improving, but it will be some time before he will be able to use the hand again.

Mr. and Mrs. M. J. Black of White Hall and daughter, Mrs. Berline and son of Alma, Ill., and their guest Miss Walker visited here Sunday.

Mrs. Amanda McKeene who has been in very poor health for some time was much worse Monday. Her son Henry McKeene and wife of Springfield were called here Sunday.

Mrs. James Beddingfield and Mrs. Samuel Woodall were business visitors in Winchester Monday.

The boys who broke into the school house at Alsey and committed depredation, injuring furniture and library books etc., were brought before Squire James Andell Monday. J. M. Riggs represented the state and J. A. McKeene was for the defense. The two older boys were bound over under \$500 bond until the next term of court.

Misses Jessie and Lillian Catrick entertained at a week end house party. The guests were Miss Hazel Bradley of Jacksonville, Misses Ruby Dalley, Ruth Hawk and Jean Tankersley, all of Winchester.

Told by several citizens that an emergency existed and that street oiling should proceed as rapidly as possible, W. H. Cocking of Jacksonville went ahead with the work on Sunday. Complaint was uttered by a number of Winchester women and Mayor Fletcher halted the operations for a time. After some explanation and argument, Mr. Cocking was allowed to proceed with the work.

John Groce and wife and daughter accompanied by Mr. and Mrs. Willis of Beardstown brought the remains of their eleven months old child to Winchester Monday. Burial will be made in Gillham cemetery.

Misses Nellie Lashmet, Lillian Seibert and Shirley Henderson and George and William McVigen spent Sunday with Mrs. Pat Creeley in Jacksonville.

A. J. JONES BUYS OVERLAND.
A. J. Jones, West State street broker placed an order with J. F. Claus, Overland Co., for a 1917 Overland Roadster for immediate delivery.

FUNERAL IN BARRY

Mr. and Mrs. J. W. McConnell have gone to Barry to attend the funeral of E. T. Cooke, who passed away in Cleveland, O. Mr. Cooke was for several years assistant engineer at Illinois School for the Deaf. He was fifty-five years old and leaves a family.

ENTERS TRAINING SCHOOL

Miss Margaret Waller of Greenfield has entered the nurses' training school at Passavant hospital. Miss Waller was graduated from the Jacksonville high school with the present year's class.

BARBER CASE ON TRIAL BEFORE JUDGE BURTON IN CIRCUIT COURT

Land Transfer is Alleged to Have
Been Made in Fraud—New Trial
in Auto—Horse Damage Case.

Circuit court was convened in Jacksonville Monday, Judge Frank W. Burton presiding. It is probable that adjournment for the term will be taken Tuesday or Wednesday, as the business now ready for hearing is not extensive. The case of the Ayers National bank vs William Barber et al, creditor's bill, occupied the attention of the court the greater part of the time Monday afternoon. The testimony was read after the attorneys had made the opening statements. Mr. Bellatti for the complainants and J. O. Priest for the defendants. The reading of this testimony consumed a large part of the court session.

Transferred Land to Wife.
William Barber was the owner of 120 acres of land, which, according to the testimony in the case, he transferred to his wife in payment of certain sums of money which he had borrowed from her subsequent to their marriage five or six years ago. It appears that Mrs. Barber had a considerable amount of money and property at the time of her marriage to Mr. Barber, and it is stated that she transferred five acres of land which she owned in this city, to James Barber, a brother of William Barber, in payment of a sum of money which the latter owed to the former. It is understood that Mrs. Barber also assumed other obligations of her husband. William Barber was indebted to the Ayers National bank to the amount of \$2,000, and interest and to Elmer J. Henderson in the sum of \$1,100 and interest. Judgments heretofore obtained not having been satisfied, these creditors are now charging that the transfer of the real estate and personal property by Mr. Barber to his wife was made for the purpose of defrauding them. They are also questioning the right of the defendant to make such transfer, and the existence of such a large amount of indebtedness as is claimed.

New Trial Granted.
A motion was made for a new trial in the damage suit of M. R. Fitch vs George T. Douglas, and the motion was allowed by Judge Burton. This suit was brought because of injuries to a horse belonging to Mr. Fitch resulting from being struck last fall by Mr. Douglas' delivery truck. This suit was tried in court recently and verdict returned in favor of the plaintiff. The motion for a new trial was allowed because it errors in the instructions. The suit is being defended by the Insurance company in which Mr. Douglas has a policy.

Wood, alias "Texas" Woolery, charged with the murder of Ralph McDonald, was brought to the court house to be arraigned on the charge of murder and for the purpose of formally pleading in the case. When he arrived the Barber case was then in progress, he will have to appear again Tuesday.

Pine Apples slightly specked for canning purposes. W. S. Cannon, Produce Company.

WILL FILED.

The will of Christopher Kavanagh has been filed for probate in the office of the county clerk. It was drawn June 12, 1916, witnessed by John M. Butler, Dora Moore, and William H. Murphy. After the payments of debts and \$50 for masses the estate is to go to Mrs. Mary A. Kavanagh for life. At her death there is to be an equal division among the children, except that \$1000 is first to be paid to William P. Kavanagh. The wife is named executrix and at her death W. P. Kavanagh is to be the executor.

SOME TABLE LINENS AT OLD PRICES YET, 70 INCH BLEACHED DAMASKS, 98c YD. LARGE NAPKINS, 82-98 DZ. TO MATCH, CHOICEST PATTERNS AND FINE LL LIVEN CLOTH.

F. J. WADDELL & CO.

Misses Tracy and Catherine Louise Gebert spent the week end at the home of Miss Catherine Cain south of the city.

J. P. CORREA DIED MONDAY AT PRAIRIE STREET HOME

Deceased A Long Time and Respected
Citizen of Jacksonville—Born in
Madeira and Came Here As Young
Man.

The death of J. P. Correa, a well known resident of this city, occurred Monday at 11 a. m., at the family home, 511 South Prairie street, following a brief illness. The deceased was born in the Island of Madeira, November 15, 1842. At the age of fifteen, believing the United States offered greater opportunities for success, he left his boyhood home in August, 1857, he arrived in this country. At the age of twenty he united with the Portuguese Presbyterian church of this city and during all the succeeding years took an active part in the various church organizations, serving for many years as an elder. Until failing health prevented he was faithful in attendance at all of the church services, especially the weekly prayer service. His presence will be greatly missed by the entire church membership.

Mr. Correa had won success in a material way, his business career being marked by industry and perseverance. By his methods of absolute honesty and square dealing he soon gained the confidence of those with whom he associated, and during all the years of his life he had the respect and love of all who knew him.

Mr. Correa did quite an extensive business as a contractor, some years ago and it will be remembered by older residents that he had the contract for the building of Morgan Lake. This work like all other entrusted to his care was handled in a careful and business like way.

In June, 1874, together with his son Frank, Mr. Correa made a trip to his old home in the Madeira Islands, and visited also a number of the larger cities of Europe, returning several months later to this city, which has since been his home.

In April, 1863, Mr. Correa was married to Miss Mary Vincent, daughter of Joseph Vincent. They were the parents of eight children, two of whom are now deceased. Mrs. Correa died March 14, 1908. The surviving children are Mrs. E. L. Mendonsa, Jacksonville; Mrs. F. D. Nunes, Rochester; Mrs. E. N. Hodge, Bloomington; Frank Correa, Manchester. There are also twelve grandchildren and one great grandchild.

The funeral will be held at 2:30 o'clock Wednesday afternoon from the residence, 511 South Prairie street. Services will be in charge of Rev. W. E. Spoons.

Big Sale on fancy Alberta peaches for canning purposes. Now distributing a carload. At all Merchants. W. S. Cannon, Produce Co., Distributor.

NOTICE TO SCHOOL TEACHERS

As the time is at hand to renew your certificates for the coming year it becomes my duty to inform you that you will be called upon to answer the following question:

What is a Ford car, and your answer MUST BE AS FOLLOWS:

A Ford car is a machine, made by the Ford Motor company of Detroit, Mich.; a small car of large value; a car that the automobile concerns are trying to pattern after; a car that is an ASSET to your business, your family and yourself—The Efficiency Car.

The Ford is the "LEGAL TENDER CAR," the car that brings happiness to your homes. It's the car that not only is a luxury, but a commercial commodity.

It's the car that never quits. The car that you can sell second hand if you want to.

It's the car that all the automobile concerns are trying to get. In fact, THE UNIVERSAL CAR, and sold at ONE PRICE TO ALL by the agent.

C. N. PRIEST,

The Ford Man.

HAS WIRELESS LICENSE

E. Wackerle who is electrician at Illinois Woman's College received a license yesterday to operate a radio station for one year, or until the Government inspector can examine his apparatus. Mr. Wackerle has had this station in operation for about two years, it formerly having been at the Ayers Bank building. He has since moved it to the Woman's College. Mr. Wackerle in order to operate this station under license is obliged to take the oath of secrecy in regard to any messages he may hear passing thru the air.
